The screenshot shows a web browser window with the OpenWeatherMap website. The browser's address bar displays 'home.openweathermap.org'. The website's navigation bar includes links for 'Weather in your city', 'Guide', 'API', 'Dashboard', 'Marketplace', 'Pricing', 'Maps', 'Our Initiatives', 'Partners', 'Blog', 'For Business', and 'Support'. A green confirmation message states: 'We have sent the confirmation link to **sabastyles07@gmail.com**. Please check your email.' Below this, a horizontal menu lists 'New Products', 'Services', 'API keys', 'Billing plans', 'Payments', 'Block logs', 'My orders', 'My profile', and 'Ask a question'. The main content area features a promotional banner for 'Historical weather for any location'. The banner includes a vertical strip of four weather images (moon, sun, clouds, sunset) and text stating: 'Our new technology, Time Machine, has allowed us to enhance the data in the **Historical Weather Collection**.', 'Historical weather data available for **ANY** coordinate', 'The depth of historical data have been extended to **40 YEARS**', and 'You can download data from **Personal account** or **contact us** to order it.' Two orange buttons, 'Learn more' and 'Go to purchase', are positioned at the bottom of the banner. The Windows taskbar at the bottom shows the time as 20:44 on 17-11-2022.
